Don't Be Late In '48

By PAUL D. EMMONS

Flippety-flop, flop-flop, where are we at? Does anybody know?

First we propose the division of Palestine. Then we back flop and are again it. And now, quick as a wink, we come out in favor of it.

Eeny, meeny, miney, mow, now you see 'em and now you don't. A great system of diplomacy. Only, how's anybody going to place any reliance on what we say?

This Palestine flip-flop was a double shuffle between votes and oil. First the votes had it. Then the oil had it and now the votes have got it again.

Meaning, of course, that it was a double shuffle between the Jewish vote and the Arabian oil.

Secretary of Defense Forrestall may have been responsible for the switch to oil. The Arabs, of course, control vast quantities of it and we're in the unfortunate position of being quite short of it. In case of another war our lack of oil would constitute a crisis of the first magnitude.

This was probably the main reason for the administration's first flip-flop when it reversed itself on the partition of Palestine.

But the Jews went ahead and brought about a de facto partition anyway.

No sooner was it announced than Truman jumped in and recognized the new State of Israel.

Why? Well, probably for two reasons. The Jewish vote, which he wants to enlist for his own enfeebled candidacy; and he wanted to beat Russia to it in the matter of recognizing Palestine.

Whether he will capture the Jewish vote is questionable. But he certainly accomplished his other objective of beating Russia to it.

Behind the scenes it was felt that Russia would quickly recognize the new State of Israel and send a diplomatic representative to it. Then she would have been in on the ground floor - if we hadn't beaten her to it.

She would have had an entering wedge in the far Eeastrn situation which might have made a lot more trouble for us. And we would simply have been on the outside looking in if we had refund to recognize Israel ourselves.

The worst feature of the situation to date is our loss of prestige in the diplomatic field caused by what Sumner Welles calls our "grotesque gyrations."

We're now faced with the question, "What's next?" What's the UN going to do about this situation?

Probably nothing. It hasn't anything effective to use on the problem and for another thing, it's in such a state of confusion owing to our numerous flip-flops that it doesn't know whether it's going or coming.

So it will probably sit back and not try to start anything on its own hook, hoping that any fighting which may be ahead of the Jews and Arabs will be purely a local affair and won't last long.

In other words, the Jews are simply another example of that basic fundamntal (as often pointed out in this column) that forces rules the world. If they can muster force enough to beat off the Arab attack, then the family of nations will have a new member - the State of Israel.

It will be interesting to see what we will do now in the matter of raising the arms embargo to the Far East. Will we raise it in favor of the Jews alone, or give the Arabs a break also?

Tomorrow a happy homemaker

New brides every year. New couples establishing their own homes . . .

More people living in New England than ever before—and a larger proportion than ever wanting telephones . . .

These are some of the reasons why we've been putting so much money into new construction and equipment—more than three times as much in 1947 as our yearly pre-war average.

We're still going ahead—at the highest rate ever. For only in this way can we meet New England's growing telephone needs.

TOWN LEAGUE SOFTBALL SEASON OFF TO TEN GAMES START NEXT WEEK AT GINN, WEST SIDE

Slack's One Hit Pitching Job Pays Off In School Boy's Win Over Reading

Vern Slack pitched a one-hit game for Winchester last Wednesday afternoon when the high-schoolers downed the boys from Reading High at Manchester Field in a three to one score. The game was rained out Monday and re-scheduled for the Wednesday date.

In his first year on the mound for the Red and Blacks, ex-outfielder Slack held the foe down to one hit which Reading's Gibson took from him in the initial inning, brining in the visitors' only tally of the game. The Wednesday contest brought to a total of nine games that the locals have played this far with three ties and six tragedies. The season is nearly yet and Coach Bartlett thinks the boys are shaping up for a brighter future.

Winchesters first run came on a single by Ron Pera (rest) in the fourth with a man on third base. The home team banged two more in the eighth bringing the tally to three and ending the scoring for the game.

Moller Receives Trophy In Pre-Season Races

With a bare six inch lead Mel Moller sailed into trophy territory nosing out a snipe crewed by George Field and Carl Freyer in the last of the series of six preliminary races held at the Winchester Boat Club last Sunday afternoon.

The race ended the warm-up schedule at the club where activity started several weeks ago. The pre-season champ trophy was donated to the winner by Don Simmonds. Although Moller walked off with the honors, he actually placed third in the race, coming in behind first place Dicky Simmonds and second place Bart Sullivan, last year's first captain, didn't participate in the initial races of the series and so failed to qualify for the top spot.

Eleven Teams Seek Town League '48 Champ Spot

Eleven teams will start battling it out for the town softball league championship next Monday night with a jam-packed schedule of 10 games coming up the first week.

Last year's victorious Sachems will be defending the champ title of the league which opens its second season this year under the guiding hand of the town recreation committee headed by John D. West. The local squads will meet at two games a night next week on Monday, Tuesday, Wednesday, Thursday, and Friday at 6:30 o'clock at Ginn Field and over on West Side territory.

On Monday the title holding Sachems are set for a tilt with a D. J. Cobb nine at Ginn Field at the same time the Rockets and the Atomics are deciding the outcome of the contest at the West Side field.

The Sons of Italy team will have it out with the Commets at Ginn Field on Tuesday when the Knights of Columbus and the Veterans of Foreign Wars are slated to meet at the West Side.

Wednesday's program lists the Red Shirts to be pitted against St. Mary's at Ginn Field and the Rocket's meeting th Sachems for their second game at the West Side Field.

On Thursday the Knights of Columbus and the Sons of Italy will be at Ginn Field and the Comets will encounter the Beggs and Cobbs out in the West.

Results of the first week league standing will be tallied after Friday p.m. when the Atomics and St. Mary's meet at Ginn Field and the D. J. Club faces the Red Shirts over on the West Side.

All-State Tennis Tourney To Be Here Tomorrow

Mrs. Ruth Kelly and Mrs. Edna The Winchester High tennis teams wil play host to the Annual Massachusetts State Tennis Tournament tomorrow which will be held for the third year at the Palmer Street courts with boys' tennis coach Cooper directing.

Starting time is set for 9 o'clock tomorrow morning and will be carried over to Monday or Tuesday if necessary. Winchester and Newton are again the favorites this year, but a new B.C. High entry looms large on the horizon with Phil Maloney, three time International Boys' Champion to lead their attack.

Newton will be in there with an extra hard plug for the cup and the bitter memory of last years one point Red and Black winning margin. Maloney, Bob Rich of Newton, Larry Harrison of Brookline and Dick Hills and Sheldon Calwell of Winchester will probably provide the high points of interest at the tourney.

The girls' tennis team will again hostess for the players, providing transportation to the Country Club and Ginn courts. The gals also plan to show the visitors around the En-Ka Street Fair which is being held tomorrow.

Boston Sports Writer Listed To Speak Here

Gerry Nason, sports writer for the Boston Globe will be principal speaker at a Knights of Columbus Sports Night program at the council hall, White Building, next Tuesday evening at 5 o'clock.

Listed on the guest roster are: Joe Tansey, athletic director of Wentworth Institute; John Furey, captain-elect of the Boston College football squad; John Poto, Boston Yanks football pro; and Henry Knowlton, Winchester High football and track coach.

Boy Scout News

Troop 12

A reliminary drilling session was held prior to this week's regular Thursday evening meeting in which the scouts applied the routine they will encounter on Memorial Day when they are in the parade to the cemetaries. Asst. Scoutmaster Fiore, assisted by Patrol Leader Connolly, drilled the scouts creditably. Enthusiasm was high despite the inclement weather. After the drilling squence the scouts adjourned to the Scouting Room, headquarters of the Troop, in St. Mary's School, and the regular meeting took place.

Mr. George Thompson, Winchester District Commissioner, announced that Troop 12 would distribute Bond Posters for the U. S. Treasury Dept. to the business establishments in Winchester over the weekend. The meeting opened with the reciting of the Oath and Law by the entire Troop led by Mr. Bob Fiore Asst. Scoutmaster Doucette and Mr. Thompson were able to get into a "huddle" on Scouting business while Bob took over in fine fashion.

It was announced that Scout Donald Cullen passed the second class requirements at the recent Board of Review at the Legion building. Don is a member of the Flaming Arrow Patrol, formerly the Navajos. Since there is only one symbol representing an Indian it was voted by the Scouts to change the names of their patrols except the Apache patrol who will retain their name and will wear the Indian insignia. The Sioux patrol, with Scout John Connolly as patrol leader, will now be known as the Flying Eagle partrol. The Cheyennes have yet to select their new name.

Rain-Halted Woburn Game

The eighth straight day of rain in this area postponed the scheduled Winchester Woburn High baseball game last Monday afternoon. Winchester's coach Bartlett said that the old time rival teams are slated to meet on June second at the Woburnites home territory when the local boys hope to even up the score for the defeat suffered at the tanners hands last week. The red and blacks went down to a count of six to four.

Band Concert Well Received

The annual W. H. S. ban concert was presented last Friday night, May 14, at 8:00 p. m., and was one of the best ever presented. The grammer schools sent a band of their own of those they thought talented, and they did a wonderful job. Phil Nelson played a solo on his tuba and the first brass quartet played a very enjoyable selection. The only criticism that could be found was that the program was too short. The band should be congraulated for their job and also Mr. Feldman who is mostly responsible for their outstanding work.

The high school ball teams have been restricted to their locker rooms due to the unsociable weather we have been "enjoying".

The softball team had to cancel two of their games along with the baseball team, but the track team was able to run last Sat. and came in tied for third place out of nine schools in the Belmont Relays. Don Berridge and Steve Parkhurst ran a swell race. The tennis team had to cancel their match with Brookline on Tuesday due to rain. Over the weekend of May 14, Sheldon Caldwell, Roger Swanson, Dick Hills and Bob Morris were sent to the New England Interscholastic Tournament held at Exeter Academy, to represent Winchester. The fellas did a swell job considering the competition of the best Academies and schools in New England. They made eight points to lead both the High and Prep. schools present. Caldwell and Hills won two singles, Morris one, and Swanson none. Hills and Swanson won two doubles and Morris and Caldwell won three to get to the semi-finals and qualify for the Virginia State Tournament in doubles this summer The fellas also came back with colds.

Direct Sky Traffic Too

The local police, who respond to a varied assortment of calls listed under the line of duty, are now being called upon to direct sky-way traffic in addition to the regular motor vehicle regulation. An Andrew Hill resident complained to police that a plane was flying uncomfortably low over that area last Saturday afternoon. An officer was dispatched to the scene but the plane had departed before he could do anything about the situation.
